It also runs a Diploma course in Tax management. Sir K. P. College of Commerce was the first college to run the Baba Ambedkar Open University Study Centre in South Gujarat.

About Department of Statistics, Veer Narmad South Gujarat University, Surat.

The department of statistics of Veer Narmad South Gujarat University was established in 1970 as a joint department of Mathematics and Statistics in 1996. The department was also entrusted with the responsibilities of running the Computer science teaching program (MCA, DCA) of the University and also with the administration of Central University Computer Centre. From the academic year 2007-08 the department has started a New P.G. Programme of M.Sc. (Applied statistics) and from the year 2011-12 research programme of M.Phil and Ph.D. in Applied Statistics, are also started with a view to bridge the gap between the theory and practice of Statistics.. From the point of view of keeping pace with the new developments in the subject and also in relation to the needs of the society in view of the fast changing Global economy and thereby incorporating several computer oriented statistical

methods and statistical software namely, SPSS, SYSTAT, MATLAB are included in the curriculum. The teachers of the department also advise research students of the other departments in their research needs pertaining to planning of experiments and statistical analysis.
